Education

Shivalik College of Engineering, Uttarakhand Technical University

Aug. 2022 – May 2026

Bachelor of Technology in Computer Science and Engineering

Dehradun, Uttarakhand

- CGPA: 7.5

Adarsh Inter College, Jalesar

2020

Class XII (Intermediate) — Percentage: 81.4%

U.P. Board

Adarsh Inter College, Jalesar

2018

Class X (High School) — Percentage: 86.67%

U.P. Board

Projects

Video Lecture to Notes Generator | Python, OpenAI Whisper 🐙 [GitHub](#)

2025

- Designed and implemented an end-to-end ML-powered tool that converts lecture/tutorial videos into structured, student-style notes.
- Extracted audio using FFmpeg, transcribed using OpenAI Whisper, and summarized content using NLP models.
- Performed topic-wise segmentation, added diagram extraction via OpenCV for visual context under each heading.
- Generated HTML notes with embedded frames/images and exported them as PDFs using pdfkit + wkhtmltopdf.

SigmaGPT | React, OpenAI GPT-4o Mini, Node.js, MongoDB, CSS 🐙 [GitHub](#)

2025

- Developed an AI-powered chat assistant using OpenAI's GPT-4o Mini model for fast, low-cost conversational response.
- Built a responsive frontend in React and CSS with support for dark mode, prompt history, and auto-scroll UX.
- Implemented a secure Node.js backend for API proxying, rate-limiting, and environment-based config of OpenAI keys.

Weather App | HTML, CSS, JavaScript, OpenWeather API

2024

- Built a responsive weather web app using OpenWeather API to fetch and display real-time weather data.
- Implemented client-side functionality to search for any city and dynamically show temperature, humidity, wind speed, and conditions.
- Used vanilla JavaScript for DOM manipulation and API handling, styled interface using CSS.

Technical Skills

Programming Languages: C++, JavaScript, Python, SQL

Developer Tools: VS Code, Git, Github, Postman

Technologies/Frameworks: HTML5, CSS3, React, MongoDB, Express, Node.js

Relevant coursework: OOPS, DBMS, OS

Coding Platforms

Solved 200+ problems on LeetCode

Solved 100+ problems across GeeksforGeeks and InterviewBit

Solved 100+ problems on Coding Ninjas

Certifications

Web Development (MERN) - Explorin Offline Summer Batch

Data Structures and Algorithms (DSA) - Explorin

Web Development (Delta 3) - Apna College

Leadership / Extracurricular

Teaching

Sep 2024 – Nov 2024

C++ and DSA Instructor

Offline Mode

- Taught basic C++ and Data Structures and Algorithms to students in an offline setting.

Hackathon Participation

2023

Smart India Hackathon (SIH) Participant

India

- Participated in the Smart India Hackathon 2023, representing our team and contributing to innovative solutions.
- Worked on developing a prototype for solving real-world problems, showcasing problem-solving and coding skills.
